

Help Shape Vallejo's Future Map at the City's Third Redistricting Hearing!

The City of Vallejo will be evaluating draft maps that will shift the City Council's district lines. The way district lines are drawn could change which Council District you are in and who makes important local government decisions on your behalf – including which local laws get passed and how City dollars are spent.

Join City Council's meeting on
Tuesday, January 11 at 8 p.m.
at City Hall (555 Santa Clara Street).

Unless residents share maps and feedback, the City Council will be left to make this important decision without community members' valuable perspectives. Help shape the future of Vallejo: Submit your feedback on the draft maps today!
